The figure consists of a coordinate system with a horizontal x-axis and a vertical y-axis. A grid of horizontal and vertical lines is overlaid. Two smooth, continuous black curves are plotted. The upper curve begins at the origin (0,0) and rises gradually, reaching a value of approximately 1.0 at x=5.0. The lower curve begins at a negative value, roughly -0.5 at x=0, and rises more steeply, crossing the x-axis at x ≈ 0.5 and the upper curve at x ≈ 1.5, reaching a value of approximately 1.0 at x=5.0.

Examiner

Darienne Menbleau

EF-18-02

Examiner: initial if citation considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.
